## Parking near Holy Rosary Primary School

11<sup>th</sup> September 2020

Dear Parents/Guardians,

To assist with the safety of children and to allow Social Distancing on the streets around Holy Rosary we are asking parents to 'Park and Stride' and to park further away from the school and walk the last couple of minutes.

We are delighted to see most parents doing this though we fully understand that some of our parents simply can't due to disability.

However, we still see that a number of parents are not disabled or dropping off disabled children are still insisting on parking as close to the school gates as possible and I know that this is causing a lot of annoyance when some parents see other parents ignoring our requests.

We would be very grateful if parents could ensure that cars including taxis etc:

- 1. Totally avoid driving onto Sunnyside Crescent in the morning or the evening.**
- 2. Avoid parking at the back gate of the school, parking in the laneway from the street to the back gate of the school, avoid parking in the parking bays to the apartment block near the back gates and avoid parking in Kimberley Drive and Ailesbury Crescent. When parking in the streets to the rear of the school you will notice that there is a lot of parking space on Ailesbury Drive where parents would not be causing any bother to local residents as there are a number of places where you would not be parking at the front of a resident's home.**

Please remember that the safety of our children and allowing Social Distancing in the streets around the school is very important to us all and so your continued co-operation would be greatly appreciated.

Kind Regards,

P. McAllister  
Principal

Happy, Respectful, Progressive, Successful
